

2017 Sister Parish Education Campaign

As we celebrate a New Year, students in our sister Parish, Our Lady of Perpetual Help in Chimbote, Peru, are preparing for another year of school beginning at the end of February. Our Lady of Perpetual Help is located in one of the poorest sections of Chimbote and families must make the agonizing decision to send their children to school or to provide food and shelter for the whole family.

Through the generosity of parishioners at St. Michael Church, we have assisted families in educating their children. We support not only elementary and high school students, but through your caring concern for them, we also support tutoring centers and monetary resources for students to attend vocational school and college.

Please prayerfully consider supporting the educational needs of our Sister Parish with a donation. No donation is too small.
