

### **For Faith Formation Families Previously Enrolled in St. Michael Catholic School**

We have a known registration issue in TADS. When a (former) school family is registering a child in TADS for 9<sup>th</sup> or 10<sup>th</sup> grade faith formation using their existing TADS user account then SELECT A SCHOOL will default to 'St. Michael School' or 'Apply to a different school (enter setup code)'

Please choose "Apply to a different school (enter setup code)". And enter code: **AFI1E-IR4**

This school setup code will bring you into our St. Michael Faith Formation portal. This need only be done once.

Please contact the Parish Office with any questions at 952-447-2491.
