

Hi Everyone,

Here is the extensive list of items we need your help with for this year's two 40ft. containers going to the mission in Chimbote the end of Sept. I know it's a long list, but I tried to organize it so it would be easy to navigate. (Also sent as attachment,) I can send "Home in a Box" and "School in a Bag" & Baby Bundle projects info to anyone interested. Perfect for groups, church, rotary, clubs or individuals.

We must have the items to the warehouse in Shakopee by mid Sept. If you have large items like desk, computers, file cabinets or other large items, I need to know so we can take them off our list. Call or email **Tony 612-239-3640**. tonydoty1@msn.com. if you are in North Dakota please contact our Container Coordinator in Fargo ... **Kim 701-361-8329** kimm@friendsofchimbote.org

We are not looking for used adult clothing or adult athletic shoes.

Please label all boxes with a list of all items inside and if they are new or used. Label Example....5 new quilts, 1 used printer with cartridge and manual, 25 new permanent markers.

In addition to items on the list...we also need some supplies at the warehouse ...wood, 2x4's at least 4ft. long, 1x3's and plywood for building crates. Packing tape and shrink wrap.

Work Schedule...Every Thursday evening 6pm to 9pm. and every Saturday 9am to 1pm, Starting Aug.28th, through Sept. (except Labor Day Weekend). (On Saturdays we will have Pizza at noon).

Please bring family and friends...there are jobs for everyone, must be 12 and older unless supervised, and it's a safe environment (we are the only ones there).

Do you have any contacts for donations? Business, wholesale, print shops, medical, dental, tools etc.

I would like to schedule volunteer groups for each Saturday. Rotary, confirmation hours, church groups, lions, Optimist, boy and girl scouts, teams, family groups. **Please contact me to schedule your group...we just need to plan ahead! Tony -612-239-3640**-----
